MAGNUM® MMA-AC## Angled Connector

5-1/4" x 8" Beam with Magnum Beam End Plates

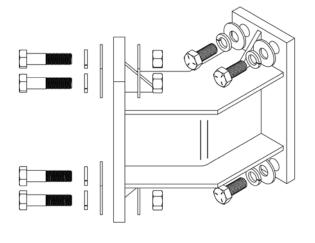

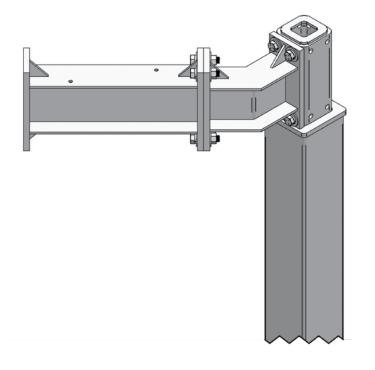

Description

The Magnum® MMA-AC## Moment Frame Angled Connector is made of 3/8" A36 plate steel. The Angled Connector consists of standard Magnum Beam End plates for connection to Magnum moment frame beams. The Angled Connector allows you to shift beam locations in order to avoid obstructions in the home, such as framing drops or stairwells.
